*A people passionate about
reconstructing communities*

Impact Direct Ministries (IDM), established in 2001, is a non-profit faith based organisation operating in South Africa with the main operational base in Cape Town. For many years prior to IDM being formally established its members have been impacting various communities through its variety of outreach programs. Impact Direct Ministries works in partnership with a number of other institutions.

- After care programme for primary school children from disadvantaged backgrounds
- Drug awareness and preventative programme
- Reconstruction programme through education for young men and women with learning difficulties, behavioural problems and substance abuse
- Senior wellness programme for senior citizens from the community who receive pampering and health care
- Spiritual and Moral Awakening in schools and communities
- Youth development programme

One of the many innovative services Impact Direct Ministries offer is a MXIT service for drug counselling called

IMPACT DIRECT
